Mother's Day Card Craft

Mother's Day is on Sunday, May 10th. Create a homemade card for the special woman in your life.

Materials Needed: construction paper or coloured paper, small and large cupcake liners, buttons, glue, markers, pencil crayons or crayons

Steps:

1. Select a piece of paper and fold it in half to make your card.
2. Select the cupcake liner that you would like to use for your flower. If you have two different sizes of cupcake liners, try layering them. Glue the cupcake liner(s) onto your card.
3. Add a stem and leaf onto your card using markers, pencil crayons, crayons or construction paper and glue.
4. Add buttons or other decorations in the centre of your flower.
5. Remember to write a special message or poem inside.
6. Share on Mother's Day!
